

# The Tauschers' Update

*"Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain."*  
— 1 Corinthians 15:58

Hi Friends and Family,

## Another Life-Changing Team

Our team to the Philippines was truly incredible. We had 18 teenagers and two back-up leaders making up our team. Our team worked hard through Boot Camp and bonded as a team quickly.

**If I put a theme to our summer, I would say it was seeing God's faithfulness.** Joel worked with one of our other leaders, John, on directing the team during their project. The team worked incredibly hard to pour a concrete driveway and paint a building. **The staff at our base were so grateful for the driveway.** It will make their lives a lot easier in the rainy season, as the base is at the top of a huge hill, and it would be quite muddy and slippery without the new concrete driveway.

Our team also got to do a lot of ministry with the kids. They traveled throughout the area around Butuan City doing children's programs. **The team loved sharing the Gospel and impacting these kids' lives.**

As leaders, God always grows us and stretches us out of our comfort zone. For Joel that was the many last-minute public speaking opportunities that came his

way. For me, it was decisions made regarding the health of our team.

But in all those situations, we were so blessed to continually feel and see the outcome of people praying for us. **So many times while we were gone we would experience a situation that only got resolved because of God answering the prayers of His people.**

## Partnership Development Trip

After our team was over, Joel and I started on a 6,000 mile road trip to meet with our ministry partners. **It was such a huge blessing to connect with people, share our mission and vision, and watch God work as He brought us together with faithful ministry partners, as well as new ones.** We are so incredibly blessed—and we felt it at a high level on our trip.

Altogether we drove through 13 states (not to mention driving across Iowa four separate times). We were so blessed by the warm welcome we got from each house we stayed at.

## Back In Florida

After being gone for about three months, we're finally home! Yay!

We are quickly getting back into the business of work despite only being home for the last week. **Teen Missions has recently started a huge new campaign to raise money for the Zambia Hunger Crisis.** This project has really touched my heart, and it's been a blessing to be a part of helping so many people in Zambia. Besides that big push, I am working on marketing for summer of 2025.

Joel has jumped back into his role of maintaining the property. He's also been working on potential landscaping projects with some of his coworkers. **Every afternoon he's working alongside the Bible school students. What a blessing for him to pour into their lives as they all serve together.**

## Thank you

Thank you so much for your continued prayers and partnership. **What a blessing it is to have a team of people partnering with us as we serve.** Thank you so much for being part of what God is doing.

We are so grateful for our partnership team who prays for us and partners with us financially each month. **Right now we are at 63% of our monthly goal. If you would be interested in knowing more about partnering with us, we would love to have a zoom call or coffee with you and share our heart!**

Prayer Requests: **63%** **37%**

1. For us to be filled with the Holy Spirit and that we would be growing in our relationship with Christ
2. For Joel's back to continue to get better
3. For opportunities to share the Gospel in our day-to-day lives

# Ministry Update

## Zambia Hunger Crisis: A Call for Action

What can **YOU** do for the cost of one fast-food meal?

Zambia is facing a devastating famine. The government has declared a national disaster and emergency as a severe drought has ravaged the land, leaving thousands without crops and facing the threat of starvation. Even before the drought, **48% of Zambians** were already struggling with hunger. Now, children are especially at risk, suffering from malnutrition and disease. At Teen Missions, we are deeply committed to helping these vulnerable children. Through our **19 Rescue Units** in Zambia, we are currently providing care for **6,359 registered orphans**. Sadly, some children have grown too weak to walk to school or even reach our Units. Our 200+ dedicated staff are working tirelessly to meet these urgent needs, but **we cannot do it alone. We need your help.**

As our Zambia Country Coordinator, Oscar Chama, has shared: **"We can feed a child for a day with just \$1.00."**

**Imagine what your support can do.** By donating the equivalent of a typical fast-food meal in the U.S.—**\$13.00**—you can provide for children and adults in desperate need. That's 13 lives fed, 13 lives touched, and 13 futures made brighter. Your donation goes beyond filling empty stomachs; it offers hope, strength, and the chance for them to grow and thrive.

Our goal is clear: **to raise \$100,000 by December 1, 2024.** Every dollar of your generosity will go directly to the **Zambia Hunger Crisis Fund**, helping us provide essential nutrition to those who need it most. Together, we can make a life-changing impact. Every meal counts, and every dollar matters.

Bring hope to Zambia's children and adults. Scan the QR code or visit the Zambia Hunger Crisis page to give now.

**Please donate today.  
Together, we can help  
Zambia overcome this crisis.**

### An Exciting Partnership

Teen Missions is excited to partner with **Barnabas Foundation** to offer our supporters **complimentary planning services and assistance with complex gifts.** Since 1976, Barnabas Foundation has empowered thousands of individuals and families to enhance the impact of their generosity through tax-efficient charitable giving. Their expert team will work with you to create a charitable plan that honors God, supports your family, and benefits the ministries you hold dear.

Visit our **Planned Giving** page or email [shonnfoy@teenmissions.net](mailto:shonnfoy@teenmissions.net) to learn more.

The **2024 US Lord's Boot Camp** trained 200+ team members and leaders to **GO** share Jesus around the world! **HE IS WORTHY!** This is an awesome testimony from a team member: "It has been so great to **get closer to God** at Boot Camp. The tough training is **fulfilling the goal to help us grow.** We have **struggled** on the Obstacle Course as a team and have been disqualified for various reasons, but **we keep growing** and celebrate that today we didn't DQ. I am grateful for what **God is working in all of us** and it is sweet to see in the **worship time** at Rally and in **our team time at night as we pray for one another's growth** and struggles."  
-Mayah E.
