## Dear Family and Friends,

**Greetings in the name of our Lord Jesus Christ.** What a great joy to be serving our risen Savior. We praise God for His love and mercy that endures forever. We would like to take this time to thank you for your prayer and financial support. We pray that God would step into your situations and that He would put a smile on your face.

**We had a busy summer** serving as summer staff during Boot Camp. We saw the Lord work in the lives of leaders and team members and enjoyed

the rallies, praise and worship, and the preaching of the Word. This year Teen Missions sent out 12 teen teams and one preteen team to 13 different countries where they did evangelism and helped in different ministries and projects, and we thank God for using them to help spread the Gospel of our Lord Jesus Christ.

**For our summer,** we were part of the "Launch Team". Our team was made up of staff members, students and interns. We helped keep things running smoothly

during Boot Camp. In the morning, Robert got to be a judge on Jacob's Ladder on the Obstacle Course which he enjoyed. During the day he was involved with doing a lot of maintenance and some construction as a few of the sidewalks needed fixing. In the afternoons, I had the privilege of babysitting our children and some of the staff children. What a blessing! Robert also had the privilege of helping to drive the buses to transport the preteens and teens to the airport.

in our walk with God. Lastly, as a family we are doing well by the grace of God. We are continuing with homeschooling our children who are now 14, 11, and 7. They are a blessing to us and we enjoy pointing them to Jesus. Esther and Ethan are both praying about going on their first American teams. When you think of them, please

Once everyone left for their projects, things got quiet around the base, but we stayed busy with cutting trees and mowing grass. We also helped with two retreats that came to use the property while the teams were on projects. We want to thank God for the opportunity to serve here at Teen Missions Florida Office. We are learning a lot and growing

pray that they would follow God's lead. Pray also for me as I am busy with teaching the children at home and still learning the homeschool curriculum but doing fine. I am also working at the base two times a week with the conference center and/or in the office helping out where needed. We thank God for the provision of Dorah's Green Card.

## Prayer Request:

- Homeschooling—for grace and understanding
- Wisdom and protection
- Salvation in our extended family
- God's will for our lives to be done as we serve the Lord

# Ministry Update

## Zambia Hunger Crisis: A Call for Action

What can **YOU** do for the cost of one fast-food meal?

Zambia is facing a devastating famine. The government has declared a national disaster and emergency as a severe drought has ravaged the land, leaving thousands without crops and facing the threat of starvation. Even before the drought, **48% of Zambians** were already struggling with hunger. Now, children are especially at risk, suffering from malnutrition and disease. At Teen Missions, we are deeply committed to helping these vulnerable children. Through our **19 Rescue Units** in Zambia, we are currently providing care for **6,359 registered orphans**. Sadly, some children have grown too weak to walk to school or even reach our Units. Our 200+ dedicated staff are working tirelessly to meet these urgent needs, but **we cannot do it alone. We need your help.**

As our Zambia Country Coordinator, Oscar Chama, has shared: **"We can feed a child for a day with just \$1.00."**

**Imagine what your support can do.** By donating the equivalent of a typical fast-food meal in the U.S.—**\$13.00**—you can provide for children and adults in desperate need. That's 13 lives fed, 13 lives touched, and 13 futures made brighter. Your donation goes beyond filling empty stomachs; it offers hope, strength, and the chance for them to grow and thrive.

Our goal is clear: **to raise \$100,000 by December 1, 2024.** Every dollar of your generosity will go directly to the **Zambia Hunger Crisis Fund**, helping us provide essential nutrition to those who need it most. Together, we can make a life-changing impact. Every meal counts, and every dollar matters.

Bring hope to Zambia's children and adults. Scan the QR code or visit the Zambia Hunger Crisis page to give now.

**Please donate today.  
Together, we can help  
Zambia overcome this crisis.**

## An Exciting Partnership

Teen Missions is excited to partner with **Barnabas Foundation** to offer our supporters **complimentary planning services and assistance with complex gifts.** Since 1976, Barnabas Foundation has empowered thousands of individuals and families to enhance the impact of their generosity through tax-efficient charitable giving. Their expert team will work with you to create a charitable plan that honors God, supports your family, and benefits the ministries you hold dear.

Visit our **Planned Giving** page or email [shonnfoy@teenmissions.net](mailto:shonnfoy@teenmissions.net) to learn more.

The **2024 US Lord's Boot Camp** trained 200+ team members and leaders to **GO** share Jesus around the world! **HE IS WORTHY!** This is an awesome testimony from a team member: "It has been so great to **get closer to God** at Boot Camp. The tough training is **fulfilling the goal to help us grow.** We have **struggled** on the Obstacle Course as a team and have been disqualified for various reasons, but **we keep growing** and celebrate that today we didn't DQ. I am grateful for what **God is working in all of us** and it is sweet to see in the **worship time** at Rally and in **our team time at night as we pray for one another's growth** and struggles."  
-Mayah E.
