# Wordless Evangelism Tools

## WHAT IS WORDLESS?

Wordless evangelism tools such as books and bracelets are used to share the gospel through colors. Teen Missions International sends thousands of wordless books and bracelets around the world each year. These tools allow anyone to share the gospel message in a visual way and can be used to bridge language barriers. Allowing more people to be reached with the gospel.

## COLORS

Each color of the wordless books/bracelets represents an important Biblical truth about salvation. Black represents our sin, that we have fallen short of the glory of God. Red is for the blood of Jesus that was shed for our sins. White is for our purity in the eyes of God when we confess our sin and accept the gift of salvation. Gold or yellow represents that if we believe in Jesus we receive eternal life and go to heaven to be with God after our earthly lives have ended. Green represents that we continue to grow in the knowledge of the Lord throughout our lives.

| SIN | BLOOD | PURE | HEAVEN | GROWTH |
|---|---|---|---|---|
| "All have sinned." | "Jesus died for our sins" | "Jesus washes away confessed sin." | "Believe on Jesus and receive eternal life." | "Grow in the knowledge of the Lord." |
| **Romans 3:23** | **1 John 1:7** | **Psalm 51:7** | **John 14:2** | **2 Peter 3:18** |

## HISTORY

Wordless books and bracelets are a tool to help people share the gospel. Charles Spurgeon, a famous London preacher, is the first person known to use this method. Which he used to share the gospel with hundreds of orphans in 1866. This tool is useful because it helps the person sharing remember how to share the gospel. The different colors provide a visual to help people hearing the message understand. It can bridge the gap in language barriers. This tool can be used anywhere when sharing the gospel with kids or adults and can even be left behind as a gift that serves as a reminder of the gospel.
