HOUSE OF JOEL RESCUE UNIT CAMP REPORT

We would like to praise our living and mighty God for the great and wonderful camp we had here at House of Joel unit.

We started our camp on 26 December 2020 with 24 kids and were divided into two teams known as Giants and Ambassadors. Each team was made with 2 leaders and 10 members.

We praise God for the wonderful revelation of the great classes that helped the children to enjoy and to know the aim of camp upon their lives. Not only that, children get in touch with Christ because they recognize who Christ is. Some of the classes that we had were: Trinity of God, Bible study, Library, Music, Quiz, Devotion and Roman Road. God has been working in all classes and kids have really learned many things. We also had an obstacle course (O.C) and rally moment where kids have profited great things.

We really give glory and honor to God for the care and protection he offered to us during the camp. None of our children got sick. Therefore God blessed us with strong health and worked with one heart.

We praise God that one of our projects was done to a garden and kitchen of an old woman. We had to thatch and make ridges for her to have a place to plant something. We invited the guardians of the kids to come and join us on 1 January 2021 as we had New Year celebration. Chiefs, guardians, parents and kids all celebrated together and all were satisfied and they fully enjoyed the whole program. To God should be all the glory.
