Madagascar Testimony

Hello, my name is Safidy. I am a BMW student here at Teen Missions Madagascar. Today I have a testimony about my life during these past four months. I feel like I've changed a lot since joining. Before, I was proud and lazy. I was also quite shy with people. I didn't like to work. Now I feel that God has changed me to be less proud and more humble. And also, I am becoming more diligent at work. I praise God because I feel more love and compassion for others and am learning that I love to pray. Thanks for helping me God and Teen Missions. That's how my life has changed since I accepted Christ at the last Boot Camp. Thank you!
