HOUSE OF JUSTICE RESCUE UNIT (KOBOKO, UGANDA)

The House of Justice Rescue Unit was a bit dormant for several months. During the month of December 2022, the same guys who are in 'Uganda 4 Sunday school', did a great job of trying to boost the ministry up. It really got revived. In January 2023, this responsibility was given to the interns, Samuel and Annet, under the supervision of Aunt Lydia. Since then, the progress of the ministry has been so wonderful. They do different activities including Unit camps, where they do work with kids, teach, and pray for them. They also have time to visit the kids' homes where they see their needs and encourage guardians. At times they also provide the kids with what they need, like mats, besides the school materials.

In the picture above is Aunt Lydia with the 2 interns, Annet and Jesca, giving a mat to one of the Rescue Unit kids.
