# Boot Camp in Zambia

**This spring, Zambia held the Lord’s Boot Camp in Kabuta.** They started with 16 Leaders, 99 team members and split into 4 teams. Boot Camp in Zambia is run as it is in the United States. The team members are trained in work and evangelism and then are sent out to share the Good News of Jesus.

Oscar, the Zambia TMI Base Coordinator said, “In this Boot Camp, we did not want to include many former team members because we wanted to give chance to those who did not attend Boot Camp last year. This is so that they, too, can be accorded the chance to pass through Boot Camp, as was the request of many parents who were coming to us to ask us to give their children the chance to be trained as we trained others last year. The parents said, “We have seen the goodness of having children pass through Boot Camp. We have seen the difference between those who came and those who did not.” The parents testified that most of their children are now actively involved in church activities and they are able to stand in front of people and preach the Gospel.

Oscar also said, “We gave time to the teens to share their experience in Boot Camp and most of them are appreciating the training they are receiving and that they are not the same way as when they came. Two teens testified that they did not know the significance of the death of Jesus Christ upon their lives. They said that being in Boot Camp has changed their lives from what they were involved in, such as drinking and smoking. The teens are thanking God for delivering them from these bad practices they were involved in which they did not even know when and how they can stop it.”

**Oscar reported that they had 49 teens who gave their lives to Jesus Christ. Cumulatively, they had 95 decisions for Christ during Boot Camp.**

Following their time on their projects, Oscar shared how many decisions were made for Christ over the course of the four weeks of the teams’ ministry. “In the last two days of the team’s projects, they intensified Evangelism,” Oscar said. The report said,

1. Lake Mweru team went in Evangelism and they preached to 84 people who gave their lives to Jesus.
2. Messengers team also went into Evangelism and they preached to 143 who gave their lives to Jesus.
3. Ezekiel team went in Evangelism and they preached to 86 people who gave their lives to Jesus.
4. Disciples team also went in Evangelism and they preached to 17 people who received Jesus as their Lord and savior.

**“All together in the last 2 days of their evangelism the teams preached to 330 Souls who received Jesus as their Lord and Savior. Our last cumulative total was 475, if we add our new total of 330, we have our cumulative total of 805 decisions for Christ!”**

**The Zambian TMI staff ask that we “Pray that many of the teens, who have seen the vast need in the field and the need for more workers, respond to the Call.”**
