Update from South Africa

Nthabiseng is aged 13 and is from around Gauteng province. She came for Boot Camp and gave her life to the Lord Jesus Christ. She is in the line of being a Sangoma (witch doctor). She has grown up with that in mind and is awaiting the final initiation when she reaches age 20. She heard Christ preached for two nights during the rally and two messages mentioned Jesus as the King of kings and Healer of all diseases. Her “calling” as a Sangoma has to do with giving people medicine for healing all sorts of ailments and she was struck at the fact that there was one Great who could heal all our diseases. She came up for prayer and was led to the Lord Jesus Christ. We continue praying for her for the Lord to touch her and lead her into all truth. Also that when she goes home she will be strong to follow the King of kings and Great Healer.
