**Kasama, Zambia BMW Update**

There are 13 students at the Kasama BMW in Zambia. In the just-ended Term V, the Lord has worked mightily in the lives of our students as many of them have come to understand the way of salvation after learning the gospels. In this term, 7 of our student have accepted the Lord Jesus as their personal Lord and Savior. The students said that they did not fully comprehend from home what they really needed to do for them to accept Jesus as Lord and savior. They said that they were not taught from church the way they have understood about salvation now while at the Bible school, hence the need for them to do the right thing.

In this term we have been helping a church called Christian missions fellowship in teaching the youths and the Sunday school as well as ministering on Sunday through praise and worship and the preaching of the Word of God. It's because of the impact of the ministry of the students in the churches where they ministered before, that another church called Pentecostal Holiness Church gave us two Sundays in the month of August to minister in praise and worship, teaching youths as well as Sunday schools and the preaching of the Word of God. We are thanking the Lord because this gave us an opportunity for the students learn to stand in front of people and also ministering which is providing them with an opportunity to grow.

On 1st and 2nd July when in our country we celebrate Heroes' day and Unity day, we decided to go in evangelism with the students to share the word of God with the people in the villages. On these two days, it is a holy day in our country. We preached the word of God around the villages near by our base and 76 people gave their lives to Jesus.
