MKOMBOZI, TANZANIA CIRCUIT

We are grateful to the Lord our God and we praise Him for His love among us and Mkombozi Circuit. By His grace we managed to minister at all six locations which are in our Circuit. Here are a couple of the reports.

Mkombozi 1

Ministry at this area has been so good to us teachers and students. Much appreciation to all learners for the response they showed to us when we are teaching. In this month, we had the opportunity to attend classes, but also we taught adults and kids who came. They were very happy for the lessons that we taught. We saw their response to the lesson and the way their actions are very good. Also, the attendance of our students at this location is giving hope. We really thank God for the prayers that have been prayed for this location. We see the way God is doing great things to the young people who are here and their families. Our ministry is growing daily, not only growing, but also what we teach is understandable to our kids and adults.

Mkombozi 2 Primary School

Jesus is helping the students at this school because some of them were having a hard time to get what they could learn and they made a request that we should pray to them so that God could help them. Because God is faithful to everyone now we have seen, many students who do not know how to read up to this time. We have been using our time to help them to know some of the things so that they may feel they have been loved. Through our teaching, everyone is hoping to have positive results through their studies and we believe nothing is hard with God if we only believe. We thank you for your support and may the Lord bless you abundantly all the days of your life.
