The Kasama Boot Camp is a fairly new Boot Camp and has only been running for a few  
years. The team members will soon be going back home so pray that they will be a wit-  
ness to their families and friends. **The staff shared a few highlights with us:**

- They have 20 leaders and 97 team members on four teams.
- The leaders have learned to pitch tents. It's a new experience to our new  
leaders to learn to pitch a tent and to sleep in a tent for the first time.
- We have team members who in their life have never been taught to work  
because they have maids at their homes. These kids found it hard to work.  
We thank the Leaders who made sure that they put to work what we taught  
them in Leaders' Seminar. They made sure that these kids work by showing  
them how to do it.
- They have had 72 people accept Jesus as their Lord at Boot Camp.
- The teams will do projects for Grace Ministries, Mungwi Union Baptist  
Church, Mapalo Baptist Church, and help on the base.
