Update from Malawi

Greetings from Malawi,

The Lord is good all the time. We are always so thankful to Him for the mighty things that He is doing to us here in Malawi. His lovingkindness is displayed to all of us as he gives us the ability to serve Him in this ministry.

We concluded the biggest and busiest ministry, the ministry of Boot Camp in Malawi. We saw lots of youths coming to participate in this program. We were so happy to see God transforming these youths. The Lord used these teenagers to reach people with the gospel in many parts of Malawi. When they came back for debrief, they had lots of testimonies of what the Lord has done to people through them. This made their faith to be strong and be ready to continue serving the Lord. We are so happy to see some of them joining our BMW schools in Malawi and we will be able to monitor their spiritual growth. Some have gone back to their schools and they are excited to come back next year.

We thank God for those who are sponsoring the camps. This group we are targeting today is a group that will make tomorrow's Malawi. We believe that we are fixing tomorrow's Malawi. Training tomorrow's missionaries today!!!

I would also like to thank you for your support and prayers.

We are especially grateful for the 'Special Fund' Category from the head office which touches many people in the community. It is bringing connection between the village and TMI.

- The staff provide the elderly people with some plastic papers for broken roofs of their houses. Sometimes we buy food for them.
- It has brought a new life to the Sunday school ministry because of the 'sports category'. Most of the Sunday schools are receiving lots of children because they have sports materials.
- We also thank God for some 'project categories' that have allowed staff to buy cement for projects to help people in the villages.

We are progressing well because of your unceasing prayers and support.

Miscious Tsukani, Malawi Country Coordinator
