Update from Madagascar

Greetings in Christ Jesus, glory be to God

There is a story on what the Lord did in Mariarano team during open air preachings. On 24th August, we went to Mataibory for Evangelism. There were so many people, more than hundred people. We preached the gospel and twenty two (22) people surrendered their lives to Jesus. And the amazing story was that, the king of the village decided to surrender his life to Jesus. and he received Jesus in front of his people. According to the people of that village the king was not allowing anyone to talk about Jesus or serve Jesus according to their rules

of the king. He only allowed them to worship the Idol which they have. But that day, he promised to get out his witchcraft and idols. He mentioned that he was not allowing any one to talk about Jesus in my area but am surprised to allow you Teen Missions to preach in my village without stopping you. And he said our village needs a church and school. This is what the Lord did in Mariarano team to God be the glory,
